

Champion's Choice® Cobalt Iodized Salt

A fine-screened salt with cobalt and iodine that helps cattle, sheep, and goats synthesize vitamin B12 and plays a role in thermoregulation, intermediary metabolism, and reproductive growth and development. Iodine deficiencies in livestock can lead to goiter (an enlargement of the thyroid gland), a condition most often found in young animals.

Guaranteed Analysis

		%	PPM
salt	min	95.00	950,000
salt	max	99.90	999,000
cobalt	min	0.010	100
iodine	min	0.011	110

Ingredients

Salt, Calcium Carbonate, Cobalt Carbonate, Calcium Iodate, Mineral Oil, FD&C Blue #1 Lake.

Feeding Instructions

Feed this supplement free choice to beef cattle, dairy cattle, sheep, and goats. Ensure adequate supply of roughage and fresh water is available for all animals. NOT FOR HUMAN USE.
